

# SHOPTALK Meetup FOR WOMEN

September 26-28, 2023 • Online

## The global community for the most influential and aspiring women across retail

Shoptalk Meetup for Women is an online community gathering exclusively for women executives in the retail and retail tech industries, uniting to get business done and propel future leadership roles.

### What's in it for me?

- **Unlocking transformative connections:**  
Join meaningful one-to-one online meetings to grow your network with retail's trailblazers and aspiring talent.
- **Take your seat at the leader's table:**  
Join open roundtable Tabletalks led by retail visionaries centred around tangible career development and tackling the industry's biggest questions.
- **Industry mentorship:**  
Discover your next career ally to help forge your path to career growth.
- **PLUS in person meetups:**  
Join industry leader meet and greets, community drink receptions and more at our Shoptalk global shows and gatherings in London and New York.

### What's the return for my company?

- **Benchmark your company:**  
See where your company stands on the industry's most critical shared challenges through peer-to-peer knowledge sharing.
- **Walk the walk:**  
Align your company's D&I initiatives with a global retail movement championing future women executives.
- **Pan industry leadership advice:**  
Equip your company's rising stars with best practice leadership skills to bring back to the business.
- **Live show benefits:**  
Take advantage of exclusive discounts across all our live Shoptalk shows.

### We connect you to senior leaders from industry giants like these:
